

AGENDA (WEEK-1) Antalya, Türkiye

10 NOVEMBER 2026

Solar for She: Accelerating Women's Leadership in the Clean Energy Transition

12:00 - 13:00 hours

The Superpower Institute

Global South Pathway to Electric Mobility

15:00 - 16:00 hours

Investing in Big Cat Landscapes for Climate, Nature and People

16:15 - 17:15 hours

11 NOVEMBER 2026

Global Solar: Then, Now and Next

10:30 - 11:30 hours

SHINE GCC: The Silicon Valley of Solar from Skills to Scale through AI powered solutions

12:00 - 13:00 hours

SIDS Dialogue: High Level Ministerial

1300-1345 Hrs
Australia Pavilion

Ministry of Environment, Forest and Climate Change
Government of India

SUNNY SIDE UP

14:00 - 1430 hours

Unlocking Financing Pathways for Solarised Agriculture Across Africa

15:00 - 16:00 hours

Climate Mitigation through Big Cat conservation

16:15 - 17:15 hours

12 NOVEMBER 2026

From Opportunity to Delivery in Africa

10:30 - 11:30 hours

The 6 TW Question: What Will Unlock Solar's Next Leap? **Introducing ISA's Five-Year Strategy 2027-2031**

12:00 - 13:00 hours

The Next Terawatt: Scaling Solar Through Subnational Action

15:00 - 16:00 hours

Trusted Supply Chains for the Next Terawatt: Building Resilient and Diversified Solar Manufacturing

16:15 - 17:15 hours

13 NOVEMBER 2026

The Africa Solar Facility: Mobilising Capital for Africa's Clean Energy Transition

10:30 - 11:30 hours

Media round table

12:00 - 13:00 hours

Domestic institutional capital as Anchor in Global South

15:00 - 16:00 hours

Building Heat Resilience in Agricultural Systems through Agri Photovoltaics (AgriPV) Across Global South

16:15 - 17:15 hours

14 NOVEMBER 2026

Empowering Youth for a Just Energy Transition: Advancing the SDGs through Inclusive Leadership and Solar Action

10:30 - 11:30 hours

From Energy Access to Energy Agency: South–South Pathways for Community-Led Transitions

12:00 - 13:00 hours

Powered by place: local communities and infrastructure at the heart of Clean Industry Clusters

15:00 - 16:00 hours

Sundays on Cycle at COP31

16:15 - 17:15 hours

AGENDA (WEEK-2) Antalya, Türkiye

16 NOVEMBER 2026

Carbon Markets: Article 6 Accelerator- From Readiness to Authorised transactions in South Asia

10:30 - 11:30 hours

Powering Africa's Energy Future: Digitalising Utilities for Universal Access and Scalable Solar

12:00 - 13:00 hours

Youth Fireside chat Ms. Eshna Agrawal Harvard University

13:15-13:45 Hrs

SUNNY SIDE UP

14:00 - 1430 hours

From Ambition to Action: Scaling Solar Implementation Across Africa

15:00 - 16:00 hours

Uganda's Experience and Global Opportunities for Investment and Collaboration

16:15 - 17:15 hours

17 NOVEMBER 2026

Energy Security and Multilateralism: Implications for Energy Futures

10:30 - 11:30 hours

India–SIDS Partnership for Resilient Coasts and Oceans: Sharing Knowledge, Technology and Solutions

12:00 - 13:00 hours

Designing Resilient Futures: Transforming Tourism Infrastructure in SIDS through Climate-Responsive Design, Renewable Energy and Local Knowledge

16:15 - 17:15 hours

18 NOVEMBER 2026

Accelerating Energy Storage Deployment in Emerging Economies: Policies, Lessons, and Pathways to Scale

10:30 - 11:30 hours

Building Capacity to Local Capability through STAR-C: Towards inclusive multilateral collaboration for Scaling Solar Skills and Sustainability

12:00 - 13:00 hours

Young India, Solar Futures: Youth Research and Grassroots Action for the Solar Transition

16:15 - 17:15 hours

19 NOVEMBER 2026

Scaling Solar through Country Partnership Frameworks: From Country Priorities to Project Delivery

10:30 - 11:30 hours

Clean Electrification for Development, Prosperity, and Energy Security – A People-Centric Approach

15:00 - 16:00 hours
