

# CALENDAR - ISA PAVILION "THE SOLAR HUB" @ COP29 Baku, Azerbaijan ( 11 November - 22 November)

DAY		DATE	COP 29 DAY WISE THEMATIC SCHEDULE	SESSION 1 10:00 - 11:15 hours ( 75 mins)		Sunny Side Up 11:45 - 12:45 hours ( 1 hour)		SESSION 2 13:30 - 14:45 hours ( 75 mins)		SESSION 3 15:45 - 17:00 hours (75 mins)		SESSION 4 17:30 - 18:45 hours (75 mins)	
DAY	DAY	DATE	THEMATIC	SESSION TITLE	ORGANISERS	SESSION TITLE	SPEAKER	SESSION TITLE	ORGANISERS	SESSION TITLE	ORGANISERS	SESSION TITLE	ORGANISERS
DAY 1	Monday	11-Nov	Opening	No session		Innovative Pathways: Charting the Course to Sustainability	Amy Brachio, EY with Karan Mangotra	Making Solar the Energy Source of Choice - Building Resilient Supplychains for Clean Energy Transitions in the Global South	TERI-Becquerel Institute	Bridging the Energy Gap: Accelerating Solar Adoption with storage	ISA-ADB	Transitioning to Renewable Energy - A Corporate Perspective	EY
DAY 2	Tuesday	12-Nov	World Leaders Climate Action Summit	Enhanced sustainability through Solar Energy Standards and Quality Assurance	ISA	Powering the Future: Ensuring a Sustainable Mineral Supply for Solar Energy	Jonnathan Dunn, Anglo American with Joshua Wycliffe	Accelerating Solar Adoption in the Global South - New Business Models and Innovative Approaches	ISA	Accelerating Green Hydrogen Adoption: From Blueprint to Scaling up in ISA Member Countries	ISA-ADB	Financing Solar Growth: Challenges & Opportunities	CII
DAY 3	Wednesday	13-Nov	World Leaders Climate Action Summit	Accelerated Partnership for Capacity Coalition in Africa	ISA	Future-Proofing the Planet: The Bold Vision for Climate Finance	Hania Dawood, World Bank with Karan Mangotra	Driving Green: Solar-Powered Electric Mobility	ISA-ADB	No sessions		SDG-Climate Synergies and Multilateralism: Implications for Energy Futures	TERI
DAY 4	Thursday	14-Nov	Finance, Investment and Trade	Roundtable Session on Navigating Industry Transitions in the Global South	CII	Climate Power Play - Can Diplomacy save the planet?	Manjeev Puri, Former Ambassador and Climate Change Negotiator with Leena Mooliffe	Solar Investments-Readiness of Global Regulatory Landscape	ISA	Hard to Abate Sectors of Asia – Challenges and Opportunities to reduce GHG emissions	ADB	Financing the Future: Scaling Solar and Renewable Energy in Developing Economies through domestic and international climate finance	World Bank
DAY 5	Friday	15-Nov	Energy / Peace, Relief and Recovery	Universal Energy access and Minigrids	ISA	Investing in Tomorrow: The Financial Blueprint for Energy Transition	Thomas Michael Kerr- World Bank with Onyi Iyizoba	Solar for All: Breaking the Barriers	ISA	Global solar hits 2 TW – but how do we achieve the next TW even faster?	Global Solar Council	Paving the way for a Just Energy Transition in the Maldives	ADB
DAY 6	Saturday	16-Nov	Science, Technology and Innovation / Digitalisation	Solarthon	ISA	Solar Power: The Keystone of Net-Zero Strategies and Global Decarbonization	Alyssa Pek, Global Solar Council with Onyi Iyizoba	Enabling Solar Investments in Africa	ISA	ESG Standards for Solar PV	CEM-TSSC	No sessions	
DAY 7	Sunday	17-Nov	Rest day No thematic programming										
Day 8	Monday	18-Nov	Human Development / Children and Youth / Health /Education	Global Solar Facility: Catalyzing Solar Investments across the Globe	ISA	Riding the Wave: The Promise of Floating Solar Solutions for Clean Energy	Deepak Ushadevi, MD, Ciel & Terre with Dr. Arun Kumar	Floating Solar Pioneers: Global Framework for Energy Transition	ISA	Call to Action to Youth as Ambassadors of Change	ISA	Solar Clean Cooking: Paving the way to a Net-Zero World	CMAI
DAY 9	Tuesday	19-Nov	Food, Water and Agriculture	Navigating the Future: Solarizing Water, Land and Air Transport for Sustainable Tourism and Mobility	ISA	Unleashing the Role of Solar for the Global South	ISA-MoEFCC	Agrivoltaics and Sector Coupling Innovations: Scaling for Food and Energy	ISA-IWMI	Envisioning Super Grids for Large Scale Clean Energy Transition	ISA-USAID	Including the International Press in the Solar Revolution	ISA
DAY 10	Wednesday	20-Nov	Urbanisation / Transport / Tourism	Closing the PV loop: PV Waste Management - Challenges and Opportunities	ISA-MoEFCC	Role of robust policy framework in energy transition	Andrew Hobbs, EMEIA Public Policy Leader, with Ramesh Kumar Kuruppath	SolarX Startup Challenge: Promoting Solar Innovations Across the Globe	ISA	Unlocking the Power of the Sun: Scaling Solar Thermal Heating and Cooling for Energy Transition	ISA-IT Power	Dinner (Organised by DG)	TBD
DAY 11	Thursday	21-Nov	Indigenous People / Gender Equality / Nature and Biodiversity / Oceans and Coastal Zones	Women in Energy: Empowering Change and Driving Innovation	ISA-GWNET	Solar Power: The Key to Sustainable Energy Access and Security	Dr. Augustine B Njamshi and Dr. Cosmas Mwikirize with Dr. Barakat Ahmed	Energy - Water Nexus: Energizing water supply to the remote islands	Fiji	Solarizing Communities through Women-led Climate Action: Strengthening Adaptation, Unlocking Finance and Creating Jobs	MoEFCC	Universal Energy Access - Modeling of the Rural Electrification Fund.	Fiji
DAY 12	Friday	22-Nov	Final negotiations	No sessions		Solar for education at Grass root level	Amitabh Shah, YUVA Unstoppable with Ramesh Kumar	No sessions		No sessions		No sessions
